**WALKER FOODBANK &  
'WALKING WITH' FOODBANK**

Sadly, as a result of the pandemic foodbanks up and down the country have reported, in many cases, a 250% increase in the uptake of their services. Many families through no fault of their own have struggled to put food on their tables, due to being furloughed – trying to exist on 80% of their salary - or losing their jobs in this pandemic. Charities helping refugees, asylum seekers and those without status are also in need of our support. If you are in a position to be able to bring just one or two food items along to Church next week then we, as a parish, can help in a very practical way. As you arrive at Church please give your donation to one of the stewards. All dried foods including rice, pasta and sugar along with all tinned foods and toiletries will be very much appreciated.

*We thank you for all the contributions to date.*

**PRAAYER FOR FEAST OF ALL SAINTS:** Dear Lord, praise you for giving us the glorious example of the Saints. Help us to aspire to meet their company, as they praise you forever in Heaven. Help us to follow in their footsteps, and yours, Jesus. Help us to submit ourselves to Your Call, seeking Your Will, as the Saints did. Help us to commit to You and to the service of our neighbours. Amen.

## THANK YOU:

We all have a debt of gratitude to those who are volunteering to act as STEWARDS at Sunday Mass. Assisting Parishioners arriving at Mass and receiving Holy Communion. They stay behind to clean the Church after use, compulsory under rules of National Bishop's Conference. Thank you all for your understanding that in these times the Church will have less access than usual as we commit to cleaning.

## Please pray for all our sick:

Rhoda Robertson, John Gourley, Mary Garrity, Doreen Graham, June Stephenson, Margaret O'Brien, Dorothy Milor, Elaine Clayton (*Elaine asks for our continued prayer please – she is home now recovering*) Rosemary McIlvenna, Monica McKinnon, Martin Finchen, Allison Maghie, Gail McDonnell and Phil Gosling (*who continues to make good progress.*)

## We remember our Children who need our prayers:

Joseph Relph, Josh Graham, James Taylor, Theo James Abbott and Martha (*she has had some worrying complications after her major brain surgery*) Also in our prayers can we remember: NHS & frontline workers, our own St. Anthony of Padua Carers, and all our Priests, Deacons and other Clergy who minister to the sick.

### EMAILED NEWSLETTER:

If you would like to receive an electronic newsletter please contact [newcastle.stanthony@rcdhn.org.uk](mailto:newcastle.stanthony@rcdhn.org.uk)

The Diocesan Property department, in partnership with the Catholic Bishop's Conference for England and Wales (CBCEW) has secured £81,805 to support Church maintenance at St. Mary's Cathedral, Newcastle, together with a couple of other Diocesan Churches. In total, CBCEW has secured £3m for from the Government's Culture Recovery Fund, which has been offered to 29 Grade I and Grade II listed Churches and Cathedrals throughout England. More information on Diocesan Website.

**NHS Test and Trace** We have registered our Church as a venue and received our own QR Code.

This enables people with smart phones who've downloaded the NHS APP to register their visit to St. Anthony of Padua. If you don't have a smart phone, you'll be covered by the existing track and trace system used for Sunday and weekday Masses. We continue to take bookings for Mass each week and will record phone numbers. The NHS app works by using the 'Bluetooth' system, found in all smartphones and registering with other phones within a certain distance, which also have the app installed. This takes place between the phones themselves and is entirely anonymous. The app registers a contact if the two people have been within a certain distance (less than 2m) of each other for a certain amount of time (more than 15minutes) according to what is known about the transmission of Covid 19. No information is sent to the NHS or other bodies. If for any reason a person wishes to delete the app from the phone, all the data is also deleted. Also, if the app registers that someone you have met recently has been tested positive for Covid 19, it will tell you what you need to do.

## LATEST BIBLE ALIVE & UNIVERSE
