**Memorial Mass - Remembering all who died since start of Pandemic**

Since the Pandemic began, the ways in which we have been able to say goodbye to our loved ones and to celebrate their funerals have been severely restricted. This applies to those who died with the Coronavirus and to those we have lost through other circumstances. Every family and parish are finding ways to express their loss. As part of our Diocesan family approach to these difficult times we shall especially dedicate the month of November to our remembrance. For November, every parish is invited to prepare a 'Book of Remembrance' to contain the names of all those who died during these difficult days. Each parish is asked to celebrate a special Mass for their dead using the Book of Remembrance as a focus. Each Episcopal Area will have an opportunity to gather for another Mass for our Dead at which Bishop Robert plans to preside. These Books of Remembrance will then be brought to Saint Mary's Cathedral, Newcastle the following week, so that all those named may be remembered at a Solemn Requiem Mass celebrated by Bishop Robert at 11.00am on Saturday 27<sup>th</sup> November. Representation from parishes will be invited to this Mass whilst respecting ongoing need for distancing.

**If you've lost anyone since the Pandemic and would like to have them remembered in this way, please sign the sheet provided in Church, thank you Fr. Shaun**

**A PRAYER FOR THE COP26 CLIMATE TALKS**

Loving God, we praise your name with all you have created. You are present in the whole universe and in the smallest of creatures. We acknowledge the responsibilities you have placed upon us as stewards of your creation. May the Holy Spirit inspire all political leaders at COP26 as they seek to embrace the changes needed to foster a more sustainable society. Instill in them the courage and gentleness to implement fairer solutions for the poorest and most vulnerable and commit their nations to the care of Our Common Home. We ask this through Christ our Lord.  
**AMEN**
