### THIS WEEKS REFLECTION FROM FR. JONATHON

#### OUR TRUE SHINING STAR

Today we celebrate the solemnity of Epiphany, and also the Magi who brought Jesus their costly and symbolic gifts of gold, myrrh, and frankincense. The term Epiphany is from a Greek verb which means "to reveal," or "to manifest." It recognises the many ways through which God has revealed himself to us and our world.

The Prophet Isaiah describe an incredible longing to return from exile, and what that would mean. We know ourselves that this is still mankind's desire: to return to God from the exile that we experience in sinfulness. Isaiah foretells the story of Magi, how "all from Sheba shall come bearing gold and frankincense, and proclaiming the praises of the Lord". Indeed, the kings are a symbol in Gospels for all the peoples of the world of every background, who could now come and worship the Lord. There are many lessons for us in their story. The Magi came to offer Christ genuine worship - like theirs, our worship must be sincere and from our hearts, not the false worship proposed by Herod. Like the kings, we must be ready to offer Jesus something precious. The best gift we can offer God for his goodness to us is ourselves. It is the gift of good life, the gift of love; the gift of obedience, of humility, of peace and of sacrifice for one another.

Another important lesson is that we must continue to follow the light that Jesus shows us, trusting that he will never mislead us. Each of us has a star that we follow, something that draws us and guides us in a particular direction. As well as guidance through prayer, our stars are people, places and things here on earth that show us the way, that inspire us, that attract us to a good and holy life. And through all of these, Jesus is constantly working to guide us to God. We must not allow ourselves to be deceived or distracted on our journey by the Herod's of this world. Jesus Christ is always the brightest star - he is our way, our truth and our life.

**Fr. Jonathon**

### 2024 - A Year of Prayer in preparation for The Jubilee Year of 2025

Pope Francis has asked us, in preparation for The Jubilee Year of 2025, to have a year of prayer focused on the Our Father. This presents us with a significant opportunity to revisit the basics of prayer, and for us to become even more a people of prayer. *'Prayer doesn't help our relationship with God, prayer IS our relationship with God!'* and so when we become more devoted to prayer, we are building up that Divine friendship. Throughout the year we will hold regular monthly events to help us prepare for The Jubilee Year. The first event will be a Holy Hour TODAY at 5.00pm at St Lawrence's. Please do come along if you are able. A poster with details of the monthly events will be displayed in the church porches.

### Message from Holy Island SVP Camp

'Are you interested in your child having a holiday in 2024? Let them join us for a week on Holy Island. They'll stay in our Centre and be looked after by DBS checked and trained helpers who will ensure they have a safe, fun time. We do lots of interesting and enjoyable activities such as rock pooling, longball, football, rounders, walking, craft and art, table tennis, long ball, quizzes and competitions and marathons as well as laser tag, silly sports, sand castle building, swimming and scavenger hunts. Girls and boys can be aged 9-12 and it is a great way for them to meet new people and make friends from all over the North East. A week's all-inclusive holiday costs a donation of £150 and can be paid in instalments. In some circumstances children may be able to receive partial or full funding to attend. If you're interested, or know of a child who could benefit from such a holiday, please visit our website for further details at: <https://www.svp.org.uk/microsite/holyisland> Applications open from 5th December 2023'
